

Somaya Wellness

# About Us

## India's Trusted Veterinary PCD Based Pharma Company

We are committed to advancing animal health through scientifically formulated, quality-assured products. By investing in continuous research, we ensure our solutions stay at the forefront of global veterinary trends empowering distributors, farmers, and pet parents alike.

### **Comprehensive Care Across Every Segment:**

**Dairy** : Maximizing yield and health.

**Poultry** : Enhancing growth and resistance.

**Aqua** : Delivering sustainable water solutions.

**Pets** : Providing pharmaceutical-grade care.

### **Driven by R&D, Defined by Quality**

Our in-house veterinary experts work tirelessly to formulate innovative products that address real-world health challenges. Through stringent quality control covering every step of manufacturing and distribution, Somaya Wellness guarantees safe, effective, and consistent solutions you can rely on.

## LACTO VITA-H

Liquid feed concentrate

### What It Does :

- **Improves Udder Health** : Supports a healthy milk area and optimal performance.
- **Enhances Skin & Coat** : Promotes better skin quality and a shiny coat.
- **Reduces Stress** : Helps animals manage environmental changes and stress.
- **Boosts Immunity** : Strengthens the natural ability to fight off diseases.
- **Overall Wellness** : Keeps the animal strong, healthy, and full of vitality.

### Feeding Advice :

Large Animals (Cows/Bufaloes) : 10 ml daily

Small Animals (Goats/Sheep) : 5 ml daily

Poultry (Chickens) : 5 ml per 100 birds daily

Pack size : 250 ml, 500 ml, 1 Liter

## Fertiva

Liquid feed concentrate

## What It Does :

- **Induces Heat** : Helps cows and buffaloes come into "heat" naturally.
- **Improves Fertility** : Makes it significantly easier for the animal to get pregnant.
- **Resolves Issues** : Effectively fixes underlying reproductive problems.

## Feeding Advice :

**Adult Animals** : Give 1 Bolus every day for 21 days

Pack size : 3 \* 7 Bolus

## UteroWash

Uterine Tonic & Cleanser

### What It Does :

- **Post-Birth Care** : Acts as an effective herbal feed supplement after a cow gives birth.
- **Expels Placenta** : Helps the placenta (after-birth) come out easily.
- **Cleanses Uterus** : Safely cleans the uterus to prevent harmful infections.

### Feeding Advice :

**Immediate Use** : Give 100ml immediately after the animal gives birth

**Follow-up** : Give 50ml twice a day for 3 to 5 days

Pack size : 500ml, 1 Liter

## INSTA cal

Speedily Available Ionic Calcium Gel

### What It Does :

- **Instant Calcium** : Acts as a "power gel" that gives the animal instant calcium.
- **Prevents Milk Fever** : Used during calving to prevent weakness and "Milk Fever".
- **Maintains Strength** : Helps the cow stay strong and keep producing milk.

### Feeding Advice :

**Pre-Birth** : Give one full tube (300ml) a few hours before birth

**Post Birth** : Give another tube right after birth

Pack size : 300ml, 500ml

## RumenHub

Liquid feed concentrate

### What It Does :

- **Improves Digestion** : This powder helps the animal digest food much better.
- **Increases Appetite** : Safely increases their hunger to encourage proper eating.
- **Aids Recovery** : Useful if the animal has a stomach upset or finished heavy medicines.

### Feeding Advice :

**General Use** : Mix 15 to 20 grams in the feed daily for 3 to 5 days

**Pack size** : 50g, 100g, 150g packets

## M Power

High Energy Nutritional Supplement

### What It Does :

- **Provides Extra Energy** : Gives extra energy to high-yielding milk cows weak after giving birth.
- **Prevents Ketosis** : Effectively prevents them from falling sick with Ketosis.
- **Boosts Milk Yield** : Helps them reach their best milk production quickly.

### Feeding Advice :

**Post-Birth** : Give 100ml to 200ml every day for 5 days after the animal gives birth

**Pack size : 1 Liter, 5 Liter**

Somaya Wellness

## HepaPrime

Unique Digestive & Liver Booster

### What It Does :

- **Supports Liver Health** : Actively works to keep the animal's liver healthy.
- **Clears Toxins** : Safely cleans out harmful toxins from the body.
- **Promotes Growth** : Helps young animals eat more food, grow faster, and gain weight.

### Feeding Advice :

Cattle : 40-50ml daily

Calves/Sheep : 15-20ml daily

Pack size : 500ml, 1 Liter, 5 Liters

# Empramin

MHA Chelated

## What It Does :

- **High Absorption** : A special mix of chelated minerals and Vitamins the body absorbs very easily.
- **Boosts Production** : Naturally helps the animal in producing more milk.
- **Enhances Growth** : Improves the animal's overall health and makes calves grow stronger.

## Feeding Advice :

**Large Animals (Cows/Bufaloes)** : 50g daily in their food

**Small Animals (Calves)** : 25g daily

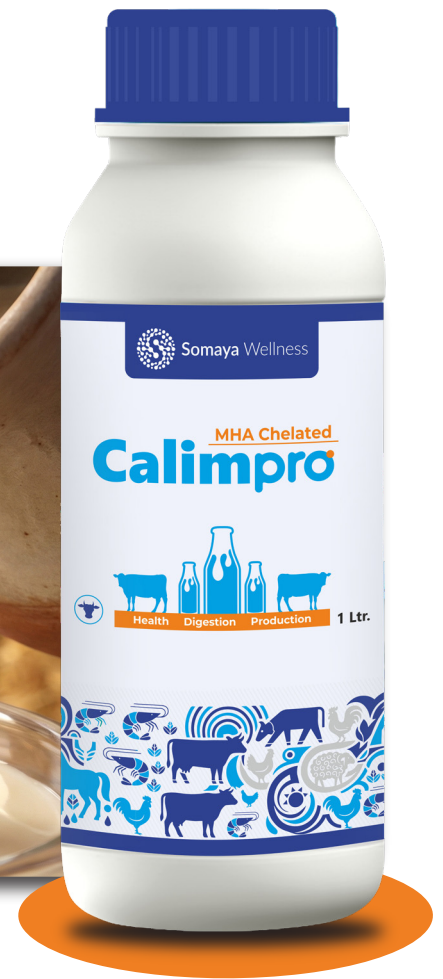

**Pack size : 1kg, 5kg, 10kg, 25kg bags**

## Calimpro

MHA Chelated

### What It Does :

- **Increases Milk & Fat** : Helps increase the quantity of milk and improves the fat content
- **Improves Digestion** : A complete health liquid that helps the animal digest food better.
- **Builds Immunity & Bones** : Builds a stronger immune system to fight sickness and makes bones very strong.

### Feeding Advice :

**Large Animals (Cows/Buffaloes)** : Give 100ml every day

**Small Animals (Goats/Sheep)** : Give 20ml every day

**Pack size : 1 Liter, 5 Liter bottles**
